RE: Water Right No(s). 63-21187 & 63-21188

Dear Property Owner(s):

Thank you for responding to our letter dated July 20, 2009. However, the information you provided is not the legal documents we need. The information you sent is just a copy of seller and buyers signatures. We need to have evidence of the property ownership. This may be a copy of a Deed of Trust, Warranty Deed or other legal documents that contain a **legal description (Township, Range, Section and Quarter-Quarter)** of the property in question.

Because the Department cannot process this request without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley  
Office Specialist II  
Western Region
