

MEMORANDUM

To: File 63-11306
From: Denise Buffington
Date: August 4, 2009
Subj: Assignment of Permit fees

A change of ownership was filed by Hofstetter Law Office on June 22, 2009, for several water rights, on behalf of G.O. Investments LLC. The rights are being changed from Ray Obendorf to G.O. Investments LLC. After further review, it was discovered that one of the numbers listed, 63-32459, was still an Application, therefore no fee was required; and they needed to file an Assignment of Application for Permit.

It was also noted that an Assignment of Permit needed to be filed on another one of Mr. Obendorf's water rights, 63-11306. That paperwork was received July 31, 2009. The \$25 paid on June 22 for 63-32459 was applied to this assignment.
