Dear Shelley:

Blackfoot Farms, L.C. has transferred water for 45.2 acres to new place of use. Because of the economical downturn in Teton Basin 22, we would like to place Water Right II 22-13875 in abeyance until September 2012. When things turn around, we will drill the well and start using on new place of use.

If I can answer any questions relating to this matter please call me at 208-520-7880 or 208-527-3254.

Regards,

Harvey Walker
Water Consultant
