Subject: Water Bank Application

Dear Aaron,

Enclosed on behalf of Boise School District, is an application to lease water right 63-29435 to the water supply bank. Although the beginning date for the lease period says August, 2008, the applicants are aware that the lease period does not begin until the date this application is received by IDWR. The application was prepared in August, which is why that month is listed rather than the current month.

Please let me know if there are any questions. Thanks Aaron.

Sincerely,

Lori Graves
