RE: Change of Ownership for Water Right 73-10022 and Permit 73-7113

Dear Water Right Holder:

The department acknowledges receipt of the Notice of Change in Water Right Ownership received March 2009, and the Assignment of Permit form received April 2009. The department has modified its records for to reflect the changes in ownership and has enclosed computer-generated reports for your records.

The fee received with the Notice of Change in Water Right Ownership in March was for one water right (73-10022), one permit (73-7113), and 12 rights in the adjudication process (73-15A, 73-150C, 73-2147, 73-2159, 73-2162, 73-4001, 73-4003, 73-10024, 73-10025, 73-188B, 73-10023, and 73-4004). Fees are not required for rights in adjudication. Also, the permit could not be processed in March as an Assignment of Permit form was required. Therefore a refund of \$325 will be made to Amerititle, PO Box 188, Ketchum ID 83340, as the check (#101065) for the fee was written by them. The fee received with the assignment of permit form in April from Speck and Annastad Attorneys was used to process the ownership change for 73-7113.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for
