RE: Change of Ownership for Water Right 67-11103 & 67-11106 [split into 67-15016 (Sloan) and 67-15107 (Warren/Raisis)]

Dear Water Right Holders:

The department acknowledges receipt of correspondence received in March, 2006 changing ownership for water right 67-11103 and splitting water right 67-11106. I apologize for the delay in processing your ownership change. The department has modified its records to reflect the change and has enclosed computer-generated report(s) for your records.

Your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Emalee Rushing
