Dear Water Right Holders and other Interested Persons:

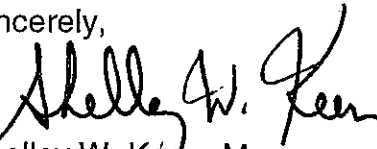

The Department of Water Resources has issued the enclosed approved Transfer of Water Rights and approved Permits to Appropriate Water in connection with the Amended Preliminary Order issued on June 25, 2009. Please be sure to thoroughly review the conditions of approval and remarks listed on the approval document.

If the transfer approval includes a condition requiring measuring and recording devices, such devices shall comply with specifications established by the Department. Detailed specifications are available on the Department's homepage on the Internet, or you can request a copy by contacting any office of the Department. Please be sure to thoroughly review the specifications to avoid unnecessary costs for reinstallation or modification due to non-conforming or improperly installed devices.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.
