

MEMORANDUM

Date: October 1, 2008
To: Water Right File 22-7698 and 22-7790
From: medl
Re: document request

I received a phone call from Jared Gunderson (head of public works City of Driggs) He has been able to locate some power records and some pump records associated with the wells in question. I confirmed that I would be interested in seeing them and he told me that he would get them in the mail tomorrow. I promised to confirm their arrival.
