Here you go. There are really two amendments, so I have enclosed both of them. I think one can be processed here at the region because no proof has been submitted or field exam completed. Let me know what you two think.

Sharla,

Scan what the city submitted and send it to Michele. She is working with City staff to get two licenses done. The amendment and licenses should be reviewed as a package.

Hold onto the paper for now. If we need it here, we'll let you know. If we need it advertised there, we'll also let you know.
