

MEMORANDUM

Date: July 2, 2009
To: Water Right File 22-7698 City of Driggs
From: Michele Edl
Re: permit status

In a phone conversation today July 2, 2009 with Kristin Moore, (Rocky Mountain Environmental Associates) for the City of Driggs, I confirmed that her email dated July 1, 2009 constituted receipt of the Departments June 24, 2009 letter, and acknowledgment of its contents. They are comfortable with the Department findings and told me that I need not wait the full 30 days before taking action to draft a preliminary order and an amendment to permit 22-7698.
