FROM: Sandy Hemenway

On 6/8/2009, I contacted Steve Kober with Beta Seed Inc. 898 Center St. W., Kimberly, ID 83341 (208) 423-4648, (208) 539-2384. He stated that they purchased property from Herman Sievers, and removed the irrigation pipe, and filled in the pond more than 5 years ago. He stated that they had no desire to use any of the waste water for irrigation.

When I contacted Herman Sievers (208) 423-5024, he stated that no water rights were included in the property sale to Beta Seed Inc. That the current system no longer involves ponds, since he was allowed to use silt from Twin Falls Canal Co to fill in the ponds and level out the fields. This made his gravity flow system more efficient.

The current Tax Lot information shows Beta Seed Inc. owns 160.2 acres of the PPU for 47-7696, and Herman Sievers owns 77.9 acres.
