RE: Proof of Beneficial Use and Licensing of Permit 63-12311 (McDevitt Park)

Dear Ms. Minicucci:

A field examination has been completed for permit 63-12595 prior to the relinquishment of that right. It appears that permit 63-12311 is for the same exact uses under the relinquished permit therefore you may file proof of beneficial use on permit 63-12311 at this time. If you choose to file proof, IDWR will use the data already collected under permit 63-12595 and apply it towards the licensing of permit 63-12311 and no additional fee will be due.

Permit 63-12311 has a proof due date of January 1, 2014, so it is at the discretion of your department on whether or not filing proof would be the most appropriate action at this time. Please note that the proof of beneficial use fee will be required if the proof is not filed within 60 days of this letter.

Thank you for your assistance in this matter and please call me if you have any questions at (208) 287-4944.

Sincerely,

Cherie Padilla
Water Resource Agent
Water Allocation Bureau
