CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **August 01, 2010**.
2. Subject to all prior water rights.
3. This right is an additional use of water diverted by the Big Bend Irrigation and Mining Co. under rights 36-133, 36-192 and 36-16126. No additional water shall be diverted from Upper and Lower Tucker Springs to satisfy this right.
4. The use of this right is subject to a private agreement for conveyance through the Big Bend Irrigation and Mining Co. ditch.
5. The right holder shall install and maintain an impermeable liner in the pond to eliminate seepage losses.
6. The pond established by the storage of water under this right shall not exceed a total capacity of 0.2 acre-feet.
7. This right does not grant any right-of-way or easement across the land of another.
8. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 36A.
9. Recreation storage use is for waterfowl hunting.
10. Stockwater storage use is for 20 range cattle (10 cow/calf pairs).
11. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 22nd day of July, 2009.

Foil GARY SPACKMAN, Interim Director
