RE: Permit No. 65-23073

Dear Permit Holder:

The Department acknowledges receipt of your request for extension of time submitted in connection with the above referenced permit. Enclosed is a copy of the approved request which extends the time within which to submit proof of beneficial use of water to August 1, 2012.

Please note that the department granted this extension based on evidence of **good cause**. It is important that you work diligently toward the completion of this project during the construction period allowed, according to Section 42-204(5), Idaho Code.

Per your written request and submission of the marriage certificate, I am able to update your name to your new married name. As to the ownership of the permit, I cannot add another owner without the proper form and fee. To assign your interest from yourself individually to joint ownership, you would need to complete the assignment of permit form, have it notarized and pay the \$25 fee. I have enclosed the Assignment of Permit form should you want to change the ownership.

Please feel free to contact the department if you have questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
