RE: Change of Ownership for Water Right 73-11956

Dear Water Right Holders:

The department has modified its records to reflect the change in ownership of the above referenced water right to you and has enclosed a computer-generated report for your records. A letter from the Department requesting proof of ownership was sent in error.

The change was made based on conveyance of water rights listed on Warranty Deed #266854, which was received in April, 2007 with the ownership change form.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
