Re: Transfer 75358 of Water Right 13-807

Dear Shane,

I have enclosed a map of water right 13-807 for you to indicate where the acre is located that you will be drying up. A notarized statement from the lien holder still needs to be submitted in order to process the transfer. Please return the map and statement at your earliest convenience.

If you have any questions, please don't hesitate to contact me at the office.

Sincerely,

Denise Kidman
