RE: Change in Ownership Water Right No. 34-13738

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

XXXX Evidence of Water Right Ownership: copy of recorded Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question

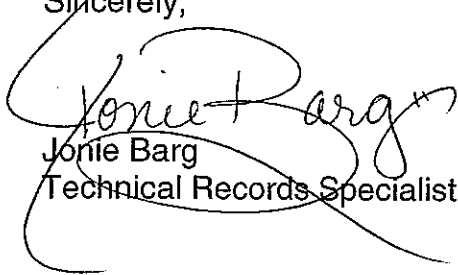

The documentation attached to your notice of change in water right ownership form was a settlement statement and a commitment for title insurance, this documentation is not sufficient evidence for our department to modify its records to reflect you as the current owner of the above listed water rights. Please provide a full copy of your recorded Warranty deed or a full copy of your Title Policy.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
