RE: Jon & Wei Christianson (Application for Permit No. 71-7170)

Dear Allen:

As you are aware, we previously filed the Applicants' Status Report regarding processing relative to this pending application. Merrill Cazier of the US Forest Service indicated that it would take some time for them to act upon a decision relative to the pending R.S. 2339 designation. I have placed multiple phone calls to Mr. Cazier both this week and last week, and have also called Troy Warburton who is also in Mr. Cazier's office in order to get an update on the progress of the R.S. 2339 designation. I have not yet received any response from the US Forest Service regarding my inquiries, but I continue to diligently pursue this request so that my clients' application can be approved for development. On their behalf, I would request an additional six (6) months in which to seek approval of the R.S. 2339 designation.

Thank you for your consideration.

Yours truly,

GARY D. SLETTE
