RE: Change in Ownership for Water Right No. 29-2488, 29-7686

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

On October 26, 2006, you submitted a map for water right no 29-2544, proof reports for water right no 29-2488 & 29-7686, and a Warranty Deed indicating water right no 29-13433.

You indicated change in ownership for water rights 29-2488, 29-7686 but there isn't any documentation that you own the property for these water rights. The map and the warranty deed both line up to water right no 29-13433 & 29-2544. We need evidence of water right ownership before we can change the ownership of the above water rights. This could be a copy of a Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. I have enclosed a copy of the paperwork you submitted and proof reports for water right no 29-13433 & 29-2544.

The Department cannot process the ownership change without proper documentation; we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Brian Cox
