RE: Returned Change of Ownership Application for Water Rights 29-2488 & 29-7686

Dear DC & G LLC:

Our letters of 7/9/07 and 1/13/09 (copies enclosed) requesting proof of ownership for the above referenced water rights remains unanswered. Therefore, I am returning your Notice of Change in Water Right Ownership and support documents that were received by the Department in October 2006. A copy of your ownership change request information will be kept in our files for reference.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data and we will be happy to complete the request for you. Please note that the warranty deed submitted with your application does not cover the place of use for the water rights listed on your application. If those rights were listed in error, you may make corrections to your original change of ownership application, initial the changes and resubmit it.

I have also requested issuance of a refund of the original fee of \$50. This refund should arrive in the next two weeks.

Please feel free to contact our office with any questions regarding this matter.

Sincerely,

for Emalee Rushing
