RE: Supplemental Review Memo

This memo supplements the 2/29/09 review memo to clarify a couple points.

1) The ownership change/clarification noted under "authority to file" in the 2/29/09 memo includes the following facts and ideas:

- Right 65-12985 is currently in the name of Terrace Lakes Recreational Ranch Inc., a registered business entity (IDSOS #C36337).
- Right 65-13457 is currently in the name of Terrace Lakes Resort, which is not a registered business entity.
- Both rights have the same mailing address.
- Ilene Johnson is the Sec./Treas. and a Director for Terrace Lakes Recreational Ranch Inc.
- She signed the letter included with the application stating Terrace Lakes Recreational Ranch Inc. also does business as Terrace Lakes Resort. The letter requested a name change to Terrace Lakes Recreational Ranch Inc. for 65-13457.
- Transfer approval should include the name change for 65-13457, a name clarification not requiring additional ownership documentation.

2) The PPOU table in the application includes a couple errors as follows:

- Total irrigation for Section 4 is 52.5, not 51.5.
- Total irrigation for the PPOU is therefore 268, not 267.
- Transfer approval includes the correct number of acres without any need to once again amend the application. The errors are probably just typos.

The response period for the preliminary order provides a method to address any problems that possibly could result from these adjustments.
