**Re: Clarification of Split Water Right**

---

Acres Unlimited LLC originally submitted a lease application for water right 29-293A to be leased to the bank in its entirety.

Water right 29-293A was split into rights 29-13863 (B. Smith) and 29-13864 (Acres Unlimited LLC).

Therefore, the land covered by right 29-13864 and owned by Acres Unlimited LLC has been accepted into the bank for an indefinite term.
