RE: Change in Ownership for Water Right No. 74-10156

Dear James & Lynn Bockelman:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

xxxxx **Evidence of Water Right Ownership:** Complete copy of Recorded Warranty Deed. The Recorded Warranty Deed you submitted did not include all the pages. Please mail a copy of the complete Recorded Warranty Deed.

xxxxx **Our initial review also indicates you** may have a possible ownership in another Water Right # 74-733C. We have enclosed a map and proof report for Water Right #74-733C. If you are entitled to the ownership of this water right and want to have your name listed as the owner, we will need you to submit the \$25 fee needed to change ownership on this Water Right.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Bobby Kern". The signature is fluid and cursive, with the first name "Bobby" written in a larger, more prominent script than the last name "Kern".
