PROPOSED CHANGE OF WATER RIGHT

Targee Properties, LLC of 1267 Pashcal Lane, Boise, ID 83702 filed Application No. 75232 to transfer 1 water right with a 1977 priority date from ground water totaling 0.09 cfs. The purpose of the transfer is to clarify the licensed uses by describing them separately as domestic for 37 homes and irrigation of 2.5 acres. This will result in a decrease in the total volume licensed from 44.4 to 33.5 afa. Also, the transfer seeks to add as a second point a diversion another well that was present and used at the time the license was issued. Water will be used at the current place of use, the Cloverleaf Trailer Court near the intersection of Apple and Pennsylvania Streets in southeast Boise.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications." Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Director, IDWR Western Region, 2735 Airport Way, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before July 20, 2009. The protestant must also send a copy of the protest to the applicant.
