RE: Address change for Water Rights 63-8587

Dear Water Right Holder:

The Department acknowledges the receipt of correspondence changing the address of above referenced water right(s) to you. The Department has modified its records to reflect the change in address.

On the form you submitted to the Department, you indicated in parenthesis 'water supply bank'. I have enclosed a copy of the Change of Address request. This water right currently is not in the Water Supply Bank. I have also enclosed an Application to sell or lease a Water Right to the Water Supply Bank if this is the step you would like to take with this water right. If you have any questions on the process, please call Aaron Marshall at 287-4943.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a **\$100** late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

Jean Hersley
