Re: Permit No. 65-13834

Dear Permit Holder:

The Department acknowledges receipt of a Proof of Beneficial Use form ("proof") and a license examination fee in the amount of \$100.00 for the above-referenced water right permit. The Department failed to give you sixty days notice that the proof was due on June 1, 2009. The permit did lapse as of June 1, 2009. Enclosed is an order that reinstates this permit without advancing the original priority date.

The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the Department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any Department office or from the Department's website: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Western** regional office in at (208) 334-2190. If you have questions about the reinstatement of the permit or proof of beneficial use, please call me at (208) 287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
