Dear Mr. & Mrs. Cruze:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received in August 2007.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- XX** Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- XX** Plat of Property or Survey Map usually on file with the county or a USDA Farm Service Agency (formerly ASCS) Aerial Photo with irrigated acres outlined and point(s) of diversion clearly marked

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions.

Sincerely,

Emalee Rushing

6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in line 1, then skip this line and go to line 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (you may copy this page, if necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount.
