RE: Notice of Security Interest for Young Brothers Livestock
Your loan number 6201067-501

To Whom It May Concern:

On February 23, 2007, the Department of Water Resources received a Notice of Security Interest in a Water Right from you. The department processed the notice and sent you confirmation on March 6, 2007.

After further review of the documents submitted, it appears that the notice incorrectly listed Claim No. 13-4190. I believe the number you meant to use was Claim No. 15-4190. The property description on the mortgage matches the place of use for this claim. I have enclosed a copy of the water right reports for each claim. Also enclosed is a copy of the notice you submitted.

If you would like us to correct our records, please send a corrected notice of security interest and we will update each record as appropriate. If you have any questions, please call me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
