Re: Water rights: 36-7533, 36-8590, 37-2761B, 37-8326,
36-7672

Dear Water Right Holders:

Our letter of February 20, 2009 (copy enclosed) requesting further evidence of water right ownership for water rights 37-2761B, 37-8326, and 36-7672 remains unanswered. Therefore, the ownership change request will be dismissed at this time.

I am requesting to return your fees for the above listed water rights (the fees for water rights 36-7533 and 36-8590 were not required) for a total of \$125.00. The State office will issue the check and it will be mailed separately.

If, at a later date, you wish to reinstate this request, you may send the enclosed ownership change request form along with the required support data and we will be happy to complete the request. Should you have any questions regarding this matter, please feel free to contact this office.

Sincerely,

Carrie Hahn

Re: Change of Ownership for Water Rights: See attached list

Dear Water Right Holders:

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records. While researching the ownership changes, I came upon some discrepancies that kept me from updating seven of the rights.

- 1) Water right 36-7533 is actually the parent right of water rights 36-7533A, 36-7533B and 36-7533C and is no longer an active right. *see 256*
- 2) 36-8590 is an application for permit. The application must be assigned to the new owners. (see enclosed) *see 254*
- 3) 37-2761B is missing acres from the deed. This right will need to be split or I need a confirmation the land was sold dry.
- 4) 37-8326 is missing acres from the deed. This right will need to be split or I need confirmation the land was sold dry.
- ~~5) 36-10069 place of use is not included in the deed.~~
- ~~6) 36-7326 place of use is not included in the deed.~~
- 7) 36-7672 is missing acres from the deed. This right will need to be split or I need confirmation the land was sold dry.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter. (208) 736-3033

Sincerely,

Carrie Hahn
