RE: Notice Of Change in Water Right Ownership: 78-7352

Dear Interested Party(s):

The Department acknowledges receipt of your request for a Notice of Change of Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. I have enclosed a map showing your property and the water right boundaries.

The deed you provided covers land once owned by Daniel Riley. The Water Right in question is owned by C M Vogelsong and is associated with land he still owns. If you have other deeds that show your ownership of these lands, please send it to the address above or fax to 208-334-2348.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage, www.idwr.idaho.gov, to obtain the proper forms and instructions.

Sincerely,

Jean Hersley
