6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in line 1, then skip this line and go to line 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (you may copy this page, if necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount.
