

MEMORANDUM

DATE: February 7, 2007

TO: Water Right File 22-7349

FROM: Shelley W. Keen *SWK*

RE: Review of Field Examination

When this right is reviewed for licensing, there are a couple of items that need to be checked.

- The permit requires the installation and maintenance of a measuring device, but the examiner reported that none is present.
- The examiner's place of use recommendation is not consistent with the recommendation for Right 22-7373 on a tract by tract basis.
