Re: Mark Wright MD PA 401K Retirement Plan Water Right #43-10492

Dear Sir,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. Our review of your notice indicates that additional information is required before we can process the change.

In researching your water right, I came across a problem in the legal description for the Place of Use. Water right 43-10492 shows a Place of Use of T12S R26E SEC 24 NESW. From what I could tell of the poorly printed Warranty Deed, you purchased property in the T12S R26E Sec 24 S1/2S1/2SW. The Warranty Deed did not list property in the NESW. There are two water rights in T12S R26E Sec 24 S1/2S1/2SW, #43-13600 and 43-13599, which may go with the property you purchased. (See enclosed Map)

If you purchased the land for Water Right #43-10492, please resubmit the Ownership Change form with a Warranty Deed for the proper location.

Or submit a new Notice of Change in Water Right Ownership form changing #43-13599 and #43-13600. (Please submit a readable Warranty Deed) The fee is \$25 each water right.

I am returning your submitted Ownership Change form and Check #3193 for \$25 at this time.

If you have any question, please call me. (208) 736-3033

Sincerely,

Carrie Hahn
Clerk
