DEPARTMENT OF
WATER RESOURCES

TO: DARLA BLOCK
FROM: DAVID D. ANDERSON
SUBJECT: REQUEST FOR EXTENSION OF TIME
DATE: 6/4/2009

Darla,

We previously mailed you Proof of Beneficial Use together with our check in the amount of \$100.00. I was under the impression that we were not able to file another extension and therefore reduced the number of lots from 56 to 30 on the proof form.

I have enclosed a Request of Extension of Time to July 1, 2014 in order for us to complete the improvements to the 26 lots so that the water right would be for the total of 56 lots.

We are hopeful that the Department will consider our request for the extension of time.

I can be reached at 208-720-5328 if additional information is needed.

Sincerely,

David D. Anderson
