RE: Ownership Change for 35-7476A, 35-7476B and 35-7615

During the review for the ownership changes for the above listed water rights for Perry and Holly Ward/Deloy, Viola, Perry and Holly, the department found that the ownership change was for all three water rights to be split into 3 separate portions, as per the shape file on arcmap.

1 portion in the name of Perry and Holly Ward

1 portion into Deloy, Viola, Perry and Holly Ward
another portion remaining.

With further review the department found the shape files were inconsistent with the water right information. Therefore the ownership changes would be as follows:

35-7476B would go to Perry and Holly Ward and would not require a split.

35-7476A and 35-7615 only a portion would go to Deloy, Viola, Perry and Holly and would require a split leaving the remainder in the previous owner's name.

On 6-12-2009 Holly Ward came in to the department to complete some ownership changes and she paid all the additional fees the department was waiting on from the ownership changes received from Deloy Ward on 3-23-2009. So for the above listed water rights we received an additional \$525.00 receipted as E035121 on June 12, 2009 as well as the \$75.00 dollars receipted as E034878 on 3-23-2009. Because the ownership changes will not require the splits as originally thought, the parties would be entitled to a refund in the amount of \$375.00. 35-7476B will not be split so the fee will be \$25.00. 35-7476A and 35-7615 will both result in a split so the fee will be \$200.00. The Ward's paid a total of \$600.00 and the ownership changes would only require a fee of \$225.00. Therefore they are entitled to a refund in the amount of \$375.00.
