Re: Application for Transfer No(s). 75369

Dear Watermaster:

Attached are copies of one or more applications that may be of interest to you.

Please complete the necessary recommendation form(s) and return to this office within 21 days of the date of this letter. Regional review of unprotested applications can be completed as soon as the final protest period is past; your prompt response to this request is appreciated so that your recommendation can be considered during regional review.

If after 21 days from the date of this letter the Department has not received your written recommendation, the Department will presume you do not oppose approval of the application and you have no comments for the Department to consider.

However, possible approval of the application(s) will include conditions of approval about standard controls for uses in your water district (lockable, measureable diversion works, etc).

Please contact this office at 334-2190 if you have any questions regarding the application(s).

Sincerely,

Denise Buffington
Administrative Assistant
