Subject assignment 95-8652

05/29/2009 11:37 AM

Dennis,
This email is to let you know that the assignment document made it to my desk and has been added to the file for water right permit 95-8652.

However, there is a \$25 fee associated with permit assignments and I didn't see any record of a receipt for that processing. Before the Department can process the assignment the fee must be received.

I will be taking this afternoon off but will be back in first thing Monday. Please keep me informed.

Thanks

Michele
