

MEMORANDUM

To: Transfer 74138
From: Eric Davis
Date: October 30, 2008
Re: Transfer Review Memo

Re: Evaluation of Sufficiency of Information Submitted

Authority to File

Applicant is owner of record on the three water rights being transferred. Authority to file as City of Kendrick and verified by Mayor James Hoogland. The signor is James Hoogland the mayor of Kendrick. The Public Water Supply No. for this entity is ID2290019.

Water Right Validity

Lands previously supplied under these rights were served by the applicant within their service area. The transfer proposes adding a new point of diversions to municipal to allow greater flexibility in water use by the water users served by City of Kendrick. The transfer will add existing wells to rights 86-4232, 86-4235 and 86-7204 plus add the new point of diversion to accurately reflect the locations of the new wells to be used by City of Kendrick.

Injury to Other Water Rights

No complaints of groundwater interference have been submitted to IDWR as of the date of this filing. No apparent injury problems found during review of this application.

Enlargement of Use

Application for Transfer is limited to the annual volume and rate of Water Rights 86-4232, 86-7204 and 86-4235. No expansion will occur.

Local Public Interest

The "Public" is served under this municipal system.

Beneficial Use/Conservation of Water Resources

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222, Idaho Code, preventing processing of this application.

The purpose of the transfer is to change a portion of the above rights as follows:
Drilling of two additional wells to meet current demands while providing redundancy.
Current water wells do not have sufficient production to utilize available ground water rights. The transfer will consolidate existing and proposed wells to withdraw from each of the existing water rights.

The two new wells will be located within NW SW S 19 T38N R2W and NE S ~~W~~^E S24 T38N R3W.

Well shown in Right No. 86-7204 as being in NW NW S30 T38N R2W was abandoned and relocated to NE NW S25 T38N R3W in this transfer.
