RE: License Nos. 47-8438 and 47-16843

Dear Water Right Holder:

On June 1, 2009, the Department of Water Resources mailed you a preliminary order which corrected the typographical errors in Water Right License Nos. 47-8438 and 47-16843, which were originally issued on November 5, 2008. The department also enclosed copies of the amended licenses. Upon further review of the amended licenses, the department discovered that the wrong year was listed in the signature block on each license.

Copies of the 2nd amended water right licenses are enclosed. The amended water right licenses supersede the water right licenses issued on November 5, 2008 and the incorrectly dated water right licenses issued with the date of May 29, 2008. The preliminary order correcting the licenses remains in effect. Petitions for reconsideration or exceptions, if needed, are due June 15, 2009.

If you have questions, please contact me at (208) 287-4947.

Sincerely,

Shelley W. Keen
