Department of Water Resources
Eastern Region

I would like to petition for reconsideration
the Preliminary Order in regard to the
Water Right Transfer of a portion of Right
75-2003 to # 73263.

I believe there were pertinent facts
that were not brought out at the last
hearing that could alter the instruction
of the order of approval.

I believe with some minor alterations
our concerns could be addressed as well
as the Dept of Water Resources.

Please advise on any further procedures.

Thank You
