RE: Transfer 73263 -- Petition for Reconsideration

Dear Mr. Hallen:

We received your Petition for Reconsideration dated 3/5/2009. The Petition states there are some alterations you want made to the approved transfer but fails to identify the specific alterations.

I understand one of your concerns is the location of the irrigated acres. To help clarify this issue enclosed is a map you can use to draw the outline of the eight acres you want covered by the transfer.

The map and the specifics of those matters you want reconsidered need to be submitted in writing no later than April 6, 2008.

If you have any questions, please feel free to contact me.

Respectfully submitted,

Ernie Carlsen
Water Resources Program Manager
