RE: Notice of Change in Water Right Ownership Nos. 61-7405A

Dear Property Owner(s):

Enclosed is a copy of your Notice of Change of Water Right Ownership form that you recently submitted to our office. The form you submitted is used when property and its appurtenant water right changes owners. The form cannot be used to move a water right off of the property on which it has been historically used.

Water Right 61-7405A was decreed in the Snake River Basin Adjudication (SRBA) on October 26, 2000 and is for the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 7, Township 3S, Range 7E. Your property is located in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 7, Township 3S, Range 7E. Even though the deed you provided lists this water right, we need documentation to show how you acquired this right.

Information should include either a chain of title that demonstrates how the property went from the Scott's to Rolling Stone, Inc to you, or a conveyance or water deed that states the Scott's sold you the Water Right.

If you plan to use this right on your property, a transfer for a new Point of Diversion and Point of Use is required. A different form is required for this process.

We will hold any action on your notice pending receipt of the-necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments to you.

Thank you for your patience and cooperation. Feel free to contact our office at 208-334-2190 if you have any questions concerning this letter.

Sincerely,

A handwritten signature in black ink, reading "Jean Hersley". The signature is fluid and cursive, with the first name "Jean" and last name "Hersley" clearly distinguishable.
