RE: Water Right No.: 65-13249

Dear Mr. and Mrs. Kuenzli,

The Department of Water Resources recently received an inquiry into an ownership change that was completed in September, 1998. You acquired property from J.G.Schwartz in 1997 and requested a Change of Ownership for water rights associated with said property. Water Right No. 65-13249 was inadvertently changed with this request.

This water right is located in Section 26, Township 07N, Range 01W and includes the NESW, NWSW and SESW $\frac{1}{4}$ $\frac{1}{4}$. The warranty deed included with the ownership change you submitted only includes "that portion of the South half of the Southeast quarter of Section 26 lying South of the County Road" in Parcel 2. I have enclosed a copy of the deed for your information.

We will be changing the ownership of Water Right No. 65-13249 back to the original owner. We apologize for the confusion. If you have any questions or concerns, please don't hesitate to call this office 334-2190.

Sincerely,

for John Westra
Western Regional Manager
