MTBR&F File No. 22-377.0001**

Dear Sir or Madam:

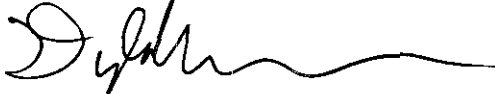

Enclosed are an original and one copy of a completed Notice of Change in Water Right Ownership form for the above-referenced water rights, which we are submitting on behalf of our clients, Jerry L. Tlucek and Mary Louise Tlucek. Also enclosed is the required supporting documentation: (1) a deed evidencing the Tluceks' ownership of the underlying property, and (2) aerial photographs depicting the places of use and points of diversion that we obtained from the Idaho Department of Water Resources for the water rights that involve ten or more acres of irrigation. Please note that our clients only recently purchased the subject property to which these water rights are appurtenant and are currently undertaking an independent analysis of the subject water rights to verify the places of use and points of diversion.

Please file the original Notice of Change, receive-stamp the copy, and return it in the enclosed stamped return envelope. Also enclosed is a check for \$200 representing the requisite filing fee.
