RE: Notice of Change in Water Right Ownership No. 63-161BQ, 63-4042, 63-7270A, 63-8604, 63-18360, 63-18361, 63-18363, 63-11777

Dear Interested Party(s):

Enclosed is a copy of the Notice of Change of Water Right Ownership form that was recently submitted to our office by Moffatt Thomas. Since Water Right No. 63-11777 is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that the \$25 filing fee required for the assignment has been applied with the payment that was sent by Moffatt Thomas.

Please have the previous owner fill out the enclosed form, have it notarized and return to this office. As soon as we receive the proper paperwork, we will continue to process your request. A copy of this water right will be mailed to you when the necessary changes have been made.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the Assignment of Permit form. If we do not receive the necessary form within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office at 334-2190 if you have any questions concerning this letter.

Sincerely,

Jean Hersley
