Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. Thank you for providing the necessary information needed to make this change. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The ownership change on Water Right No. 63-161BQ has not been completed. We are waiting for administrative updates through the SRBA Court before completing this request. As soon as the court has updated their records, we will process the ownership change on this water right. A Water Right report will be sent to you at that time.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
