

MEMORANDUM

Date: March 23, 2009
To: Water Right File 65-13894
From: cpadilla
Re: Permit Status

As of 2009 this right reflected in the database as an active application for permit however the application was approved by order 11/23/99.

The conditions of the order were added to the permit and other aspects of the right were checked for accuracy. Set draft flag to N and will forward to Debbie Gibson for Proof Due Notice.
