Re: Permit\Right # 75-14265—Meter Reading

Dear Shelley:

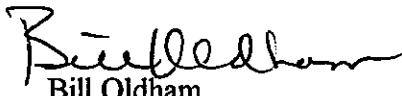

It's that time of year again for my monthly "reports."

The pump and meter were set up on the river on April 1. The meter reading was:

April 1, 2009 — 2,649,100
May 1, 2009 — 2,871,000

With lots of snow still on the high peaks and cool weather, it appears that we'll have plenty of water this season. Sure hope the same holds for all of Idaho

Take care,

Bill Oldham
