Dear Angela Grimm:

The Department of lands is proposing to change part of the place of use for the 27.5 acres to be irrigated within the 62 acre place of use. I have enclosed a digital and hard copy of the map and tables showing the changes in the place of use for Water Right 63-09661. If you have any question please give a call at 334-3488.

Sincerely,

Dean Johnson
