Re: Change in Place of Use for Water Right 63-9661 for Irrigation Season 2009

Dear Water Right Holder(s):

Idaho Department of Water Resources (IDWR) is in receipt of your request to update the 27.5 acre place of use for water right 63-9661. I would like to take this time to thank you for complying with the conditions of your water right and notify you that our records have been updated.

Please find attached to this letter a map that represents the electronic shape file in IDWR's water right database after modifying your water right to reflect the changes that you requested. Below is a table that confirms the number of acres per quarter-quarter that will be irrigated after the proposed change.

¼¼	Total Acres
NWNE	11
NENW	8.4
SENE	1.3
SWNE	6.8
Total Acres	27.5

If you have any questions or concerns, please don't hesitate to contact me at (208) 287-4944 and again thank you for meeting the terms of your water right.

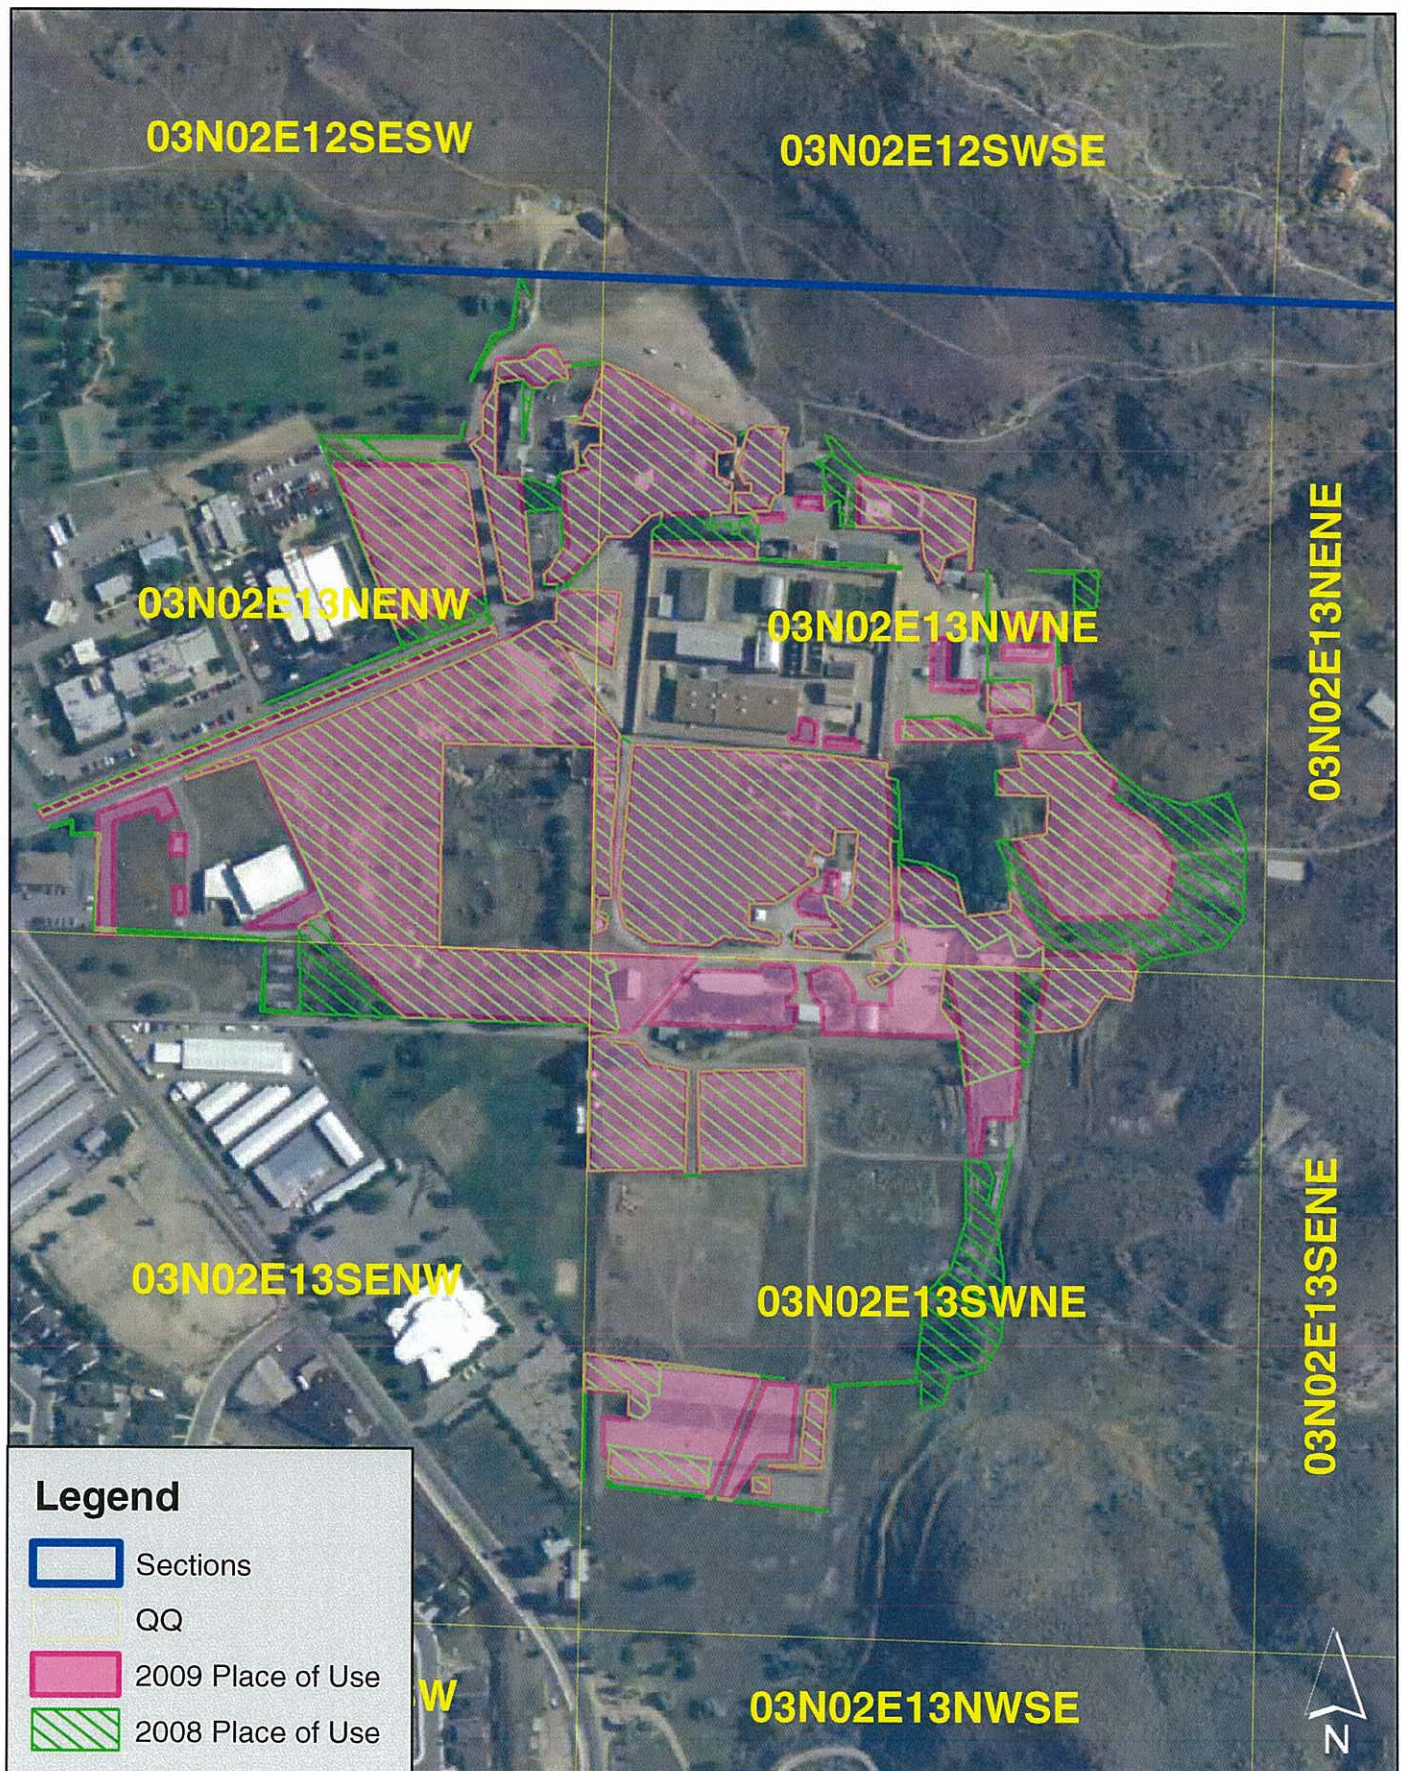

Sincerely,

Cherie Padilla
